

# Your Invitation to Make a Difference

## Do you love to fish?

*Then you know a gratification that salves the soul, a patience that endures, and the excitement spawned by anticipation.*

## Do you love kids?

*Then you know the joy that explodes from the smallest of successes and have seen the big smiles that come from positive attention.*

## Do you love God's Word?

*Then you know the urgency of applying God's wisdom to all of life, especially as outlined in the Book of Proverbs.*

**Success Through Scriptures** (STS) combines all three passions in the exhilarating context of an adventure into the Canadian or US wilderness.

Sadly, there are many boys who would benefit tremendously from such adventures but are unable to on account of difficult life circumstances.

The good news: STS has expanded its goal to reach more than 60 boys over the next few years; lives which have been severely impacted by problems in the home through divorce, addiction, abandonment, and other life circumstances. These are boys who have been brought to the attention of STS staff by service organizations assisting their families. They are also youth who would greatly benefit from a positive diversion and an experience that teaches life can be fun.

STS Ministries *needs your help* to share this life experience with disadvantaged boys. Without the financial assistance of friends like you they could only dream of such an excursion into the Canadian or US wilderness and the camaraderie of like-spirited guys.

STS seeks your help to raise \$24,000 to make a Canadian or US adventure a reality for these 60 boys. A gift of \$25, \$50, \$100, \$500 or more will make a positive impact in the life of one boy who is sure to have an experience of a lifetime.

STS is a Christian tax exempt 501(c)(3) nonprofit organization. Your gift is tax deductible as allowable by law. For more information or to make a donation, visit our website at [www.stsretreats.org](http://www.stsretreats.org). You can also donate by check. Make payable to:
