

Success Through Scriptures (STS) ministry is an organization of outdoor enthusiasts who love to fish, hunt, canoe, snowmobile, and camp. We, by personal experience, have learned that only through God and His Word is any true success possible. *Our purpose is to mentor men and boys in Godly wisdom through the scriptures and outdoor adventures.*

STS is designed with both older and younger (men and boys) outdoorsmen in mind. While there is plenty of adventure, as well as physical challenge, there is also a more relaxed atmosphere than you will find at many retreats. We feel it is important for all ages to have time to build relationships with each other and to grow in “grace and knowledge of our Lord Jesus,” (2 PETER 3:18). Because of this we don’t adhere to rigid schedules, but try to live life to the fullest as our Creator presents it to us each day.

The heart of our ministry is designed to glorify God, by holding out the Word of God as the source of Truth and Wisdom. Every retreat is geared to the experience level of the group. Participants have the opportunity to choose what type of retreat they wish to take, and they become instrumental in planning and carrying out the retreat.

Can anyone come to STS Retreats?

We recommend participants (men and boys) be at least age 8 when accompanied by relative or age 14 to attend unaccompanied. If questions arise as to the suitability of **Success Through Scriptures Retreats** for you or your child, please contact us. No biblical knowledge is required to attend; in fact we encourage participants with little or no biblical knowledge to attend.

The first time I ever looked at the book of Proverbs in the Bible was at an STS Retreat.

I took it home and read it. These proverbs are a good way to live your life.

Note from the Founders:

The idea of sharing the gospel through fishing retreats and outdoor adventures is nothing new. Jesus did it with fishing. It is not just the retreat. It is the cementing of relationships of men and families who will always treasure this special time studying God's word. It is the strong bonding of fathers and sons and grandpas and grandsons. It is about the bonding of men and young men who attend church together. It is about men becoming life-long friends because they spend time together, and realize the magnificence of God's creation which brings them happiness because they are seeking God's wisdom together.
